The Kyle Duarte Company

The KDC Brief

A Trusted Partner in Access

ABOUT US

Bridging the Deaf & Hearing Worlds

The Kyle Duarte Company is a sign language interpreting and realtime captioning agency headquartered in Washington, DC, providing services across the nation and around the world.

We help universities, associations, federal agencies, the private sector, and nonprofit entities engage with the deaf community to ensure inclusive access to important and innovative conversations.

20+
Years of best-in-class service and support

100+
Clients who trust us in high stakes environments

300+
Professionals in our provider network

OUR SERVICES

What We Offer

ASL-English Interpreting
American Sign Language is the primary language of the deaf community in the United States and Canada.

Realtime Captioning
Captioning supports auditory access for hard-of-hearing people and second language users of English. It also provides a text record of an event for transcripts and post-event publication.

Accessibility Consulting
Our expertise will help you craft inclusive experiences for all your stakeholders.
